SAVE FOR KRISTEN

Bullshit

Brian, well I can't believe we made it through another year with only a few major problems. One's name was Chara and the others was Fred. See how some people can really mess you up well anyway I really don't know where to start cuz there is so much to say. Ya know there was a time when I said I never wanted to see you again but I know I never could of done that. You have taught me so much about myself and others. I will always be thankful to you for all the hours you spent listening to my problems and not acting bored I think you have helped me w/ everyone of my boy friends

VC

Since I have met you. I don't know what I would of done without you! You will never know how special you are to me our friendship means alot to me and I will never ever want to lose that! We have had our problems but that is to be expected. We have both done stupid things but we also both had someone to talk it out with. Brian I want to say I feel bad about not going w/ you but I really can't. If I said that then I would break up w/ Steu and be w/ you. I will say this Steu will never replace you in any way there is a special bond between us that no one can break. (although many have tried) We have been

through alot, some good and some bad but I can't imagine a nicer person I would rather go through it all with. You are a best friend in all respects and in a special way. I love you too!

I guess that's all
Have a really great summer!
Love always
Kristen

SENIORS

Throughout the past few years,
We have made many discoveries.
About ourselves and the world around us.
Then anyone could teach us in a lifetime.
Discovery is an individual process.
The discoveries we'll have made to this point
will be the foundation for
the discoveries we will discover throughout our lives.
And our high school discoveries will soon be over.

President's Message

Dear Class of '82,

As Senior Class President, I would like to say that I am extremely happy to have had the honor of representing such an outstanding class. It seems as though time has gone by so quickly that we haven't had the opportunity to enjoy all that we have accomplished. I hope, though, that you have enjoyed every minute of our last year here at Crescenta Valley High School.

I would really like to thank our Senior Class Advisor, Mr. Heldwein, for guiding us through this successful year.

I will always have fond memories of the experiences I have had while leading this class of 1982. Thank you, Senior Class, for all of your time and effort in making our class the greatest!

Sincerely,

Cindy Gottreich

I can remember
Walking into that big, huge room
In my pink frilly dress, looking at
all the faces staring at me
I remember
Looking at my mom with
tear-filled eyes, and a sunken-in
chin, and asking her not to leave
And I remember
Watching her leave as I gazed
through the window, as her figure
kept getting smaller, and smaller
and then, nothing
she was gone

The summer before
seventh grade. All of us
old sixth graders thought
we were "bad" because we
were finally out of the old
elementary school.

I remember
How we "big bad" sixth

And I remember

President's Message

Representing the Junior Class has been quite an honor. Having the opportunity to work with a creative Cabinet and a talented Board of Directors has been challenging and rewarding. Together, I feel that we have achieved many of our goals and have become a more spirited class. I am positive that our enthusiastic approach to our senior year will result in a successful end to our High School career. Being part of such an energetic class has been an experience that I will never forget.

Life

Life is a gift.
A box wrapped with silk bows
And sprinkled with gold dust.
Open it one day
You won't find a gold watch,
Or a diamond ring
Look under the tissue paper.
Go beyond the price tag
And take out the colors of reality —
Happiness, pain, sorrow, love.

No one else can

Homecoming Week, October 12-17, was filled with school spirit and class participation in various activities on campus. There were special days on which each class had a chance to show its spirit. Tuesday's Senior Shade Day provided many seniors with an opportunity to show off their unique glasses. On the following day the Junior Class sponsored a cake sale. The Sophomores topped off the week by wearing hats on Thursday.

The annual Homecoming Bonfire blazed on Thursday evening. This event followed a bonfire rally and a series of competitive games among the three classes. The band began the rally while the pep squad promoted warm Homecoming enthusiasm. Shortly afterwards the class competition began. Each of the three participating teams consisted of ten members from the same grade level. These teammates were selected to represent their

respective classes in a variety of activities, including Broom Hockey, VW Push, and Pyramid Building. The "CV Super Seniors" walked away with a lopsided victory and were thus awarded the CV Homecoming Bonfire Spirit Stick.

Streamers in various shades of blue decorated the quad Friday and added excitement to the day's activities. During snack the band and the pep squad united once again for a rally. In the meantime, the Senior Class sold CV balloons while Girls' League was occupied selling cakes.

The week's activities were brought to an end by the Cabinet-sponsored Homecoming Dance. This record-breaking dance was in the cafeteria and its theme was "One More Look at the Night." Spotlights were Homecoming Queen Kathy Latham, her court, and the band "The Bachelors." Homecoming Week — a tradition that is never forgotten.

One More Look at the Night

The climax of Homecoming Week was the crowning of Kathy Latham as the 1981 Homecoming Queen on the evening of October 16 during halftime of the CV vs. Mar football game.

To begin the program, the five court members and their escorts were driven a circuit Moyses field, passing directly beneath the cheering CV crowd. The girls were then escorted, one by one, to the center of the field. Sophomore Princess Jamie Renstrom and her escort, Ed Carmona, were the first to step onto the platform. They were followed by Junior Princess Keene Cronin escorted by Chad Hamilton.

Next were Senior Princesses Kim Black, Kathy Latham and Kelley Lewis, escorted by Dave Asplund, Tony Viase, and Eric Lowe, respectively.

At this point a brief description of each girl was given, including her interests, activities, and future plans.

Jeff Verso,

Director of Activities, escorting last year's queen, Julie Anderson, then announced that Kathy Latham was the 1981 Homecoming Queen.

Amidst the cheers of the crowd, the girls were escorted off the field, each hoping to take

"One More Look at the Night" before the evening was over.

Go CV!

The Pep Squad began its year of responsibility by attending summer camp clinics in Santa Barbara. The Junior Varsity and Sophomore squads received several blue ribbons and awards for the most spirited squad in their respective divisions. The Varsity Cheerleaders received first-place ribbons in each evaluation. They also received the award for the most-spirited squad and a Superior Trophy for being the most outstanding Varsity squad out of fifty other squads.

Varsity Song leaders attended the National Cheerleading Association Summer Clinic at San Diego. They received the first-place award in their home routine evaluation, the award for most-spirited squad and the Award of Excellence for their outstanding performance.

Other activities of the Pep Squad included pep rallies at snack, planning the Homecoming Bonfire and doing half-time routines. For the last football game against Arcadia, the Varsity Cheerleaders and Songleaders united for a half-time routine to "Hit Me With Your Best Shot."

Band and Flags March On

The CV Marching Band, under the direction of Mr. Bill Card, enjoyed another fine year through a variety of activities and performances. Band members entertained the crowds at CV's football games by staging halftime shows and providing accompaniment for the Pep Squad. The band was also active in many pep rallies and special activities throughout the year.

Futhermore, they participated in several parades at various locations.

They marched at Disneyland, at the annual Montrose Christmas parade and at the Days of the Verdugos parade, where they placed second among the other bands.

The band also took part in many competitive activities in which they were rated in comparison with other bands throughout the state. Mr. Card, assisted by Drum Major Jeff Engels, stimulated the band's spirit. This enthusiasm aided in the success of this year's marching band, helping it to meet its many goals.

Band showed spirit during the halftimes at the CV football games. Tal Flaga gave their support with their routines performed at the games, parades, and special locations such as Knott's Berry Farm. All of the carriers worked hard to excel in their routines. Capt. Laura Frey was always there to inspire them.

"Somewhere in Time"

The Girls' League Blackwelder dance "Somewhere in Time" on November 7, 1984, was the second dance of the year. It was at the Glendale Civic Auditorium from 8 to 11 p.m. More than 400 students attended the dance dressed in a variety of costumes ranging from cavemen to martians. At ten o'clock Girls' League President Adrienne Rodriguez crowned Cliff Miller king. Also on the float were Sodamone prince, Matt Norberg, junior prince, and Jennifer, senior prince, Dave Jackson, and Mike.

These car rallies are so much fun! -- Barry Fleischer

"Turn left on the surfers' heaven." Surfers' heaven? Hermosa Ave. of course! This was a familiar phrase read by those who participated in the cabinet sponsored car rally November 25. Tickets were sold for one dollar and the starting point was at the high school. The route took the cars on a two ve-mile trip in both La Crescenta and La Canada. All who navigated correctly found themselves at the Straw Hat Pizza Parlor. The winners, arriving at the final checkpoint first, were driver Barry Fleischer and navigators Tracy Neate, Donna Groves, and Barbara Seeley. Prizes were awarded to the first seven cars that completed the course accurately. The first place team received an official Crescenta Valley Car Rally trophy

October Oddballs

Halloween was a day full of activities for the student body to enjoy. Many people dressed up in bizarre costumes to show their spirit for the spooky holiday.

A Pep rally at snack honored the special day and the celebrations continued through lunch. There was a costume contest and also pumpkin pie eating and apple-bobbing competitions.

A Walk with Dad

"A Walk with Dad through a Winter Wonderland" was the theme of the Girls' League-sponsored Dad-Daughter Banquet in the cafeteria December 9. The dinner was catered by Dominick's and members of the Key Club were waiters for the evening. The Fall semester Girls' League Board planned this annual event with their advisor, Mrs. Mary Pape. President, Adriene Rodriguez and her father, David, began the program with a reading which saluted both the fathers and the daughters. After dinner, the girls and their fathers participated in "daddy games," over which secretary Renee Roski and treasurer Stacy O'Neal presided. CV Charismatics provided more entertainment and this portion of the program was followed by dancing. The Dad-Daughter Banquet is looked forward to each year, and the 1981 dinner was no exception.

Feast of Lights

Holiday spirit filled the Christmas season as CV's choir groups combined to present the annual "Feast of Lights" performance. On December 17, Miss Nute conducted the choir in the presentation of the Christmas program presented at 7.30 and 9 p.m. in MacDonald Auditorium.

Each year the members of Men's Glee, A Cappella Choir and Charismatics unite to display their special talents in this greatly anticipated choral presentation. This year's performance was no exception. The auditorium was filled with students, parents and members of the community. Their warm response made the many weeks of rehearsals worthwhile.

The audience was treated to a variety of traditional Christmas carols sung by the choir as a whole and specially selected soloists. As the program came to a close, the choir members, holding candles, encircled the audience with a glow of light. The climactic "Hallelujah Chorus" intensified the Christmas spirit and the enjoyment of the "Feast of Lights."

Dan Kerr skillfully accompanied the choir and Rick Ness narrated the program. The students' hard work and dedication were plainly evident during the presentation. The "Feast of Lights" once again beautifully ushered in the holiday season as the Christmas spirit was given to all of those present.

"The Carols of Christmas"
 The carols of Christmas,
 Are warming the winter night
 And what man among us
 Has not seen the Star so bright,
 That shines up above
 The symbol of love
 And all that is good and right,
 The carols of Christmas
 Float through the air
 And warm up the winter night.

Dance — Dance — Dance!

"Rock That," choreographed by Jenny Lomen and Dhane Jensen, was the closing dance in the Dance Assembly on December 3 performed by the entire Advanced Dance Company and directed by Mrs. Joan Shoff. The assembly consisted of a variety of dances that the girls choreographed themselves. Some of the songs to which the dances were performed were: "Our Lips Are Sealed," "Jessie's Girl," "Tom Sawyer" and "Heavy Metal." The dance class also traveled to Rosemont, Clark, La Canada High and other schools to present the show. The dancers dedicated a great amount of time to rehearsing in order to make the show professional. This assembly received an approving response from the student body.

On January 14, the entire Student Body convened to elect the second semester Cabinet and Girls' League officers. All the candidates were questioned concerning the office for which they were running. The presidential candidates for the ASB and the Girls' League were each allowed to give a three-minute speech. In addition to the ASB, the Student Body voted on a constitutional amendment. The purpose of the amendment was to limit the number of years a person may be on the Pep Squad to two years.

Moonlight and Roses

Many couples attended the Junior Dance, "Moonlight and Roses," on Saturday, February 6, in the lower level of the Glendale Civic Auditorium. The highlight of the evening was when Barbara Seeley was crowned queen by Junior Class President Rae Gauthier. Members of the Junior Dance court included Queen Barbara Seeley, Karyn Beall, Diane Cooper, Kendi Kallen, and Michel Stafford, who were escorted by Jeff Saltzman, Sean McCall, Mike Anderson, Bill Judson, and Jeff Woo, respectively. The court was nominated by CV students and the Junior Class voted for this year's queen. Recorded music was provided by "Dance Creation." Refreshments were also served during the evening. This highlight of the Junior activities was a success and an event to remember.

One of the highlights of our junior year was going on the College Tour. On February 17, forty-one juniors left CV to visit nine college campuses in California. This annual tour, chaperoned by Mr. Adson and Mrs. Miner, gave students a chance to see the different types of colleges.

On the first day we visited Pepperdine, Westmont and UC Santa Barbara. After spending the night in an Army camp, we left for Cal Poly, San Luis Obispo, University of Santa Clara and University of the Pacific. While spending the night at UOP we had the opportunity to wander around the campus on our own. The following day we saw the State Capitol, Department of Justice and UC Davis. That evening we had dinner at Fishermen's Wharf in San Francisco. On Saturday we visited UC Berkeley and Stanford before we flew home via PSA.

Washington Slept Where?

On March 25, 26, and 27 the CV Drama Department presented the hilarious Kaufman and Hart comedy, "George Washington Slept Here."

The play is about a man named Newton Fuller, played by Jeff Iverson, and his wife Annabelle, played by Marcy Livran. Newton is a man of mediocrity who generally does not do anything without consulting Annabelle. Without telling anyone, he buys a fixer-upper in Pennsylvania, where George Washington slept.

Jim Cornelius played Mr. Kimber, a very amug old country boy who superintends the repairs on the Fullers' new home. Uncle Stanley, played by Bill Donovan, is the apparently rich uncle of the family who is discovered to have been totally broke for 20 years. He eventually saves the day by pretending to be rich one last time in order to save the Fullers' house from their nasty neighbor Mr. Prescott, played by Robert Vafsis. The play was an enjoyable commentary on the comedy of life and was well received by all audiences.

"Clowning Around With Mom"

Many mothers and daughters attended the annual Mother-Daughter Dessert on March 2 at the La Crescenta First Baptist Church. They enjoyed ice cream and cake served by the Key Club. Pat Roski and her daughter Renee gave a salute to mothers and daughters. Later, Stacy O'Neal and Tina Shermer conducted the Mommy Games, after which the Barbaretttes sang for everyone. In addition, Cydney Halpin gave a tribute to Mrs. Pope for her 25 years of hard work as Girls' League advisor. Girls' League scholarships were awarded. Recipients were Zoe Ann Adamopoulos, Lisa Lambuth, Kathy Latham, Vicki Pedersen, Adriene Rodriguez, Renee Roski and Kim Stanley.

When you're down and troubled, and you need a
 helpin' hand
 And nothin', no nothin' is going right
 Close your eyes and think of me, and soon I will
 be there
 To brighten up even your darkest night
 You just call out my name, and you know
 wherever I am
 I'll come runnin', to see you again
 Winter, Spring, Summer or Fall, all you got to do
 is call
 And I'll be there, yeah, yeah, yeah, you've got a
 friend
 If the sky above you should turn dark and full of
 clouds
 And that old north wind should begin to blow
 Keep your head together, and call my name out,
 loud now
 Soon I'll be knockin' upon your door
 You just call out my name, and you know
 wherever I am
 I'll come runnin', oh yes I will, to see you again
 Winter, Spring, Summer or Fall, all you got to do
 is call
 And I'll be there, yeah, yeah, yeah
 Hey ain't it good to know that you've got a
 friend,
 When people can be so cold
 They'll hurt you, and desert you,
 Well they'll take your soul if you let them, yeah
 But don't you let them
 You just call out my name, and you know
 wherever I am
 I'll come runnin', to see you again, oh baby, don't
 you know 'bout
 Winter, Spring, Summer or Fall, hey now all
 you've got to do is call
 Lord I'll be there, yes I will, you've got a friend,
 you've got a friend, yeah
 Ain't it good to know you've got a friend?
 Oh yeah, yeah, you've got a friend

FRIENDS

Life is good because of the
 friends we have made
 And the things which
 in common we share
 We want to live on,
 not because of ourselves
 But because of the ones
 who would care
 It's often living for somebody else
 On which life's splendours depend
 And the joy of it all
 Will always be found
 In the making of lifelong friends

Looking Back

To The Sophomore Class

It has been a great pleasure being the Sophomore Class advisor for the 1981-82 school year. Since this is the first time I have served in this capacity, I have learned a great deal of CV student government. I feel that the continual support and enthusiasm of the Sophomore Class has made our year quite a success.

Barry J. Last
Class Advisor

To the Class of 1983
It's been a very rewarding experience for me to serve as Junior Class advisor this year. The Board of Directors and other juniors have done an excellent job, and I've sincerely enjoyed working with you. I hope that many of you will help us plan the Class of '83's senior activities.

Henriett Rothschild
Advisor

To the Class of 1982

Your senior year in high school should be extra special to you. You should look back at that year with fond memories of your activities, friends, and teachers.

Your class officers, Board of Directors, and I have attempted to make this year one that you will cherish and remember for the rest of your life. But the success of this year rests with the class of 1982. Your spirit, enthusiasm, and relationships with your classmates are what really made this year special. It's up to you!! I hope you had a great senior year!

Student Cabinet

Student Body President has taught me a lot of things about myself and those around me. Most importantly, it has opened my eyes to the fact that it's people, not laws, books or constitutions, or mandatories that make things happen. There are so many talented and enthusiastic people at CV that we should be proud of. There are many people here who really care. Working with these people has made me appreciate their time and effort that they have put into the betterment of CV. The friends we have made on Cabinet, the memories we have and the feelings we have shared are what high school is all about. My term in Cabinet has renewed my faith in the quality of our school spirit. When we often think back, we miss the help and support of all of my officers. There is something that I would like to tell you, the students of CV. It would be the following: don't be afraid to get involved or stand up for what you believe in. You don't often times get lost in the maze of the feelings of excitement, frustration, or irritation and believe that will stay with us forever. When you get right down to it, that's not what high school is all about.

Tomorrow We Lead"

Spring President and His Cabinet

I feel that my term as Student Body President was the finest preparatory lesson I have ever had on the instructions of life. The experiences which I have had this semester have educated me greatly in the values of life. They have taught me how to cope with rejection and failure. My single regret is that I had not previously participated in student government. I feel that this experience was a monumental boost to my education. It sharpened my qualities of leadership and developed my personality.

Most of the year I was enveloped with work. Yet, with the help of thoughtful people in both Cabinet and the administration, I was able to rise above it all. Only through Cabinet's and Mrs. Jensen's unselfish support were we able to accomplish all that we did.

I sincerely hope that next semester's president and cabinet will be as inspired as was Crasente Veiley and those who make it work are without a doubt incredible. CV holds within its grasp many fine things. I am sure that future students will continue to erect excellent buildings.

Top Twenty-Five Smile with Pride

One of the most prestigious honors awarded at CV is to be ranked among the top twenty-five students in the senior class. These twenty-six students have achieved this distinction. Each student's rank is dependent upon his GPA from his three years in high school, not including the final semester. As the number of grades increases, competition becomes more intense. Grades from a single semester have caused GPA's to move either up or down a mere fraction of a percent. Oftentimes, two or more students tie for the same position, as has occurred this year. The **Talon** staff congratulates these exceptional students on their superior academic achievements and encourages them to continue in their journey to success.

Being elected President of CSF boosted my self-esteem considerably. It seemed so fantastic to be able to conduct the business of a club like this and exert authority over a mass of 150 scholarly students. I'm so glad I had such great officers and advisors to work with and make the tasks easier. The purpose of CSF is to provide an opportunity for academically successful students to be recognized for their achievements through honors and scholarships. Among our activities was a trip to Disneyland, Dodger Games, bake sales to supplement scholarships for seniors and the club banquet. Cooperation from members and advisors added to CSF's success. The officers' efficiency in handling their duties made the purpose of the club more easily recognized. I would like to thank the club for helping me to have such a successful year as CSF president.

Under the guidance of Advisor Jan Burke, the **Falcon** staff continued in its tradition of keeping the CV student body informed. Once a month the staff produced **THE FALCON**. This publication informed the students about current events at CV and provided advice to students' personal problems through the column, "Dear Yo anda."

Drama Club

The Drama Club once again had an active year participating in several dramatic productions. These included the fall play, "Androcles and the Lion," and the children's play "The Emperor's New Clothes." The club members, aided by drama teacher Bill Thomas, developed their acting skills and learned about the acting profession.

Speech and Debate

The purpose of Speech and Debate Club is to provide students with the opportunity to learn and to participate in all kinds of Forensic activities. Our club was organized just this year and in that short amount of time we accomplished many things. We joined a Forensic League, participated in college tournaments and entered local and national speech contests. Through enthusiastic members we have been successful in creating more interest in the area of speech. I have enjoyed working with my fellow members and would like to give special thanks to our advisor, Mr. Jensen, for making this possible.

Fall Semester Officers: President Adriene Rodriguez, Vice-President Tina Sherman, Secretary Renee Roski, Treasurer Stacy O'Neal, Sr. Rep. Cindy Gottreich, Jr. Rep. Jeyma Ford, Soph. Rep. Lori Meloch, Social Chairman Carrie Ostendorf, Publicity Chairman Denise Sholders, Friendship Michelle Swanson, Welfare Philanthropic Sara Roberts

Girls' League is a service club open to all girls at CV. Each year Girls' League, sponsored by Mrs. Papa, sponsors the backwards dance, the dad-daughter banquet, the mother-daughter dessert, and a flower sale. Girls' League also visits Rockhaven Sanitarium twice a year for its service projects.

This year Girls' League was successful in all of its activities. The backwards dance, the dad-daughter banquet, and the mother-daughter dessert were all well-attended functions. The visits to Rockhaven were also successful. In addition to planning and executing these activities, Girls' League attained a large and regular attendance at every meeting.

Serving as Girls' League President this year has been an exciting and memorable experience for me. I am glad that I have been given a chance to hold a key leadership position in the school as well as work with a fabulous group of girls. I thank all of the girls who elected me both in the fall and spring — you made my senior year **SUPER!**

Members: Jeffrey White, President; ZoeAnn Adamopoulos, Vice-President; Vicki Pedersen, Secretary; Curtis Hallowell, Treasurer; Niki Quintero and Eric Rowsey, Co-Directors of Activities; Tara Adamopoulos, Sherri Alexander, Beth Babcock, Emily Blomberg, Edna Molina, Raquel Cataldo, Mike Cullen, Julie Freeman, Beth Gannon, Breanna Galt, Tanya Suarez, B. Mayne, Lori Melchior, and Nicki John Utogah. Richard Phillips, Jose Pineda, and the Ambassadors, Brock and Aaron, are members.

Serving as Key Club President for this year has been an unforgettable experience for me. The club was able to help the March of Dimes by wrapping Christmas gifts for handicapped children. Also, our fall and spring semester blood drives were very successful. CV contributed more blood than any other school. In addition, Key Clubbers sold programs at all the home football games, and all members assisted in our annual Career-Day activities. The sophomore and junior members assisted at graduation activities by distributing programs, directing people and controlling the crowd. I wish to extend my deepest appreciation to a terrific Board of Directors: Vice-President, ZoeAnn Adamopoulos, Secretary Vicki Pedersen, Treasurer Curtis Hallowell, and Co-Directors of Activities Niki Quintero and Eric Rowsey. I would also like to thank Mr. Adison for taking his time to be such a super advisor for our club. I hope that future presidents of Key Club will be as fortunate as I was to have such a wonderful board and helpful membership.

The Purpose of the Girls' Service Club is simply that which is stated in its title: to serve. Through this organization girls have the opportunity to serve their school and community in many ways. This year the "S" Club has been extremely successful. The club members have participated in several activities which include the annual service project donation monthly bingo at Twelve Oaks, Halloween and Easter parties at Sunair Asthmatic Home and ushering at a choical performance. It has been a pleasure to work with such enthusiastic members and our capable advisor, Mrs. Doris Duncan. We have made this year a special time and I hope none of us forgets the importance of service to others.

The Math Club is a chapter of the nationwide M. Alpha Theta organization. It is a group of students who are interested in mathematics and who want to improve their skills. The club meets every week and has a variety of activities. Some of the activities include solving problems, playing games, and attending lectures. The club also has a variety of resources available to its members, including books, articles, and a website. The club is a great way for students to learn more about mathematics and to meet other students who are interested in the same subject.

Ski Club Hits the Slopes

As the 1981-82 Ski Club President, I feel that the Club had a very successful year. We took a big trip to Blackcomb/Whistler Mountain in Canada. On this trip twenty students from CV and thirty-five students from Wilson Jr High skied for six days during the Easter break. Other activities of the club included various skiing excursions to local resorts. We also sponsored a booth on Renaissance Day.

My term as president of Spanish Club was not only enjoyable, but it was also a good learning experience. During the Fall semester, we sold candy apples, had a Halloween party and went to Olvera Street to celebrate Las Pasadas for Christmas. For the Spring semester we went to Catalina Island and to Ensenada, Mexico. I'd really like to thank my advisor, Mr. Gibson, and all my officers — Carrie Ostendorf, Vice-President; Amy Snow, Secretary; Adriene Rodriguez, Treasurer; Laura Lawson, Social Chairman, for all the support and help they've given me in making this a successful year.

Future Writers Discovered through the Ark

The **Ark** is CV's annual literary journal. It is a publication which consists solely of students' original poetry and short stories. A board of editors selects those works which it feels have literary merit and these are published in pamphlet form. The editors are selected through applications, personal interviews and teacher recommendations. The **Ark** thus provides an easy and convenient medium through which interested students can express them-

Seniors:

I feel that being Editor-in-Chief of the **Ark** has been an exceptional learning experience for me. I have enjoyed working on the staff and I hope that through our efforts CV has been enhanced. This year was filled with many enjoyable hikes and outings. The climax of the year was when the club took part in a week-long backpacking trip in the High Sierras. We had been on many training hikes, so the members were well prepared for this adventure. The club also did some conservation work in the local mountains. Being president of this unique group of people has certainly been an exciting experience for me and I hope the members got as much out of the club as I did.

Martial Arts Club

As president and founder of the Martial Arts Club, I have experienced a personal victory in politics and tenacity. Though the students' response to the club was slow during the first semester, membership picked up during the second term. Our activities included contests, information lines and studio recommendations. In addition to this, I have initiated a community self-defense class which is free of charge. I feel that this is the most satisfying goal which I have accomplished, simply helping people protect themselves. That is what the martial arts are all about: growing, learning and helping. The training calms, not corrupts, as those who practice know. Never mistake kindness for weakness.

A New Perspective

Superintendent Burtis Taylor retired this year after fourteen years of leadership of the Glendale Unified School District and the Glendale Community College District.

Many things have changed since Dr. Taylor was selected in 1968. Most of the changes were brought about by the reduced funding caused by Proposition 13.

When Dr. Taylor first took the reins, the main problem for the G.U.S.D. was fitting the overabundance of students into the limited elementary, junior high and senior high schools, the main concern of the G.C.C.D., with the college's 4,000 students.

was to have a separate school board. Now, with four elementary schools closed, Glendale College's enrollment increased to 13,000 and their success in acquiring their own school board, the problems of the districts are totally different.

Dr. Taylor feels that it is time for a change, for himself and for the districts. He has many plans for his retirement, but until June 30, 1982, he will continue to provide his experience and leadership.

Dr. William Thomas, Supt. Burtis Taylor and Principal Samuel Nicholas

Dr. William C. Thomas, former Crescenta Valley High principal, formally retired this year, after maintaining our school's fine reputation for 20 years. After leaving CV in 1980, Dr. Thomas joined the faculty at California State University at Northridge to teach graduate courses in educational administration and supervision. In addition to advising on a committee to supervise future master degree candidates, he supervises present Northridge student teachers working in Ventura County.

One major goal of the Business Department is to have all electric typewriters for the students to use, according to Miss Marvel Simbach, department chairperson. Declining enrollment and budget cuts have postponed this goal as well as others.

However, CV's fine Business Department continues to produce annual award winners in the Area Conference competition in shorthand, typing and accounting. Students well trained at CV in business skills are in great demand, and are often employed directly upon graduation.

CV's enrollment of 1,620 students springs from a neighborhood population of almost 40,000. The 75 certificated staff members include 66 teachers, 32 counselors, one librarian, one work-experience coordinator, one advisor, and three administrators.

Because of the drastically reduced election program, the P.E. Department was forced to offer more mass activity classes, some with more than 70 students. Consequently, less individual instruction was possible. Declining enrollment eliminated many special interest classes, which were less monotonous for teachers and more exciting for students. "Adding ninth graders to CV would undoubtedly allow us to return to the greater variety of classes that was offered in past years," said Pat Wells, department chairperson.

The 1981 Crescenta Valley Football team will be remembered as one of the most exciting teams in the history of the school. Led by quarterback Mike Norseth, receivers Kevin Fagan, Barry Fleischer, and Scott Torrez, and back Robbie Rogers, the pass happy Falcons were undefeated all year but one. They went to the last minute of the final game before being eliminated from a CIF playoff position. Falcons were recognized at five positions on the All-Pasadena League team: Tight End Kevin Fagan and Defensive Back Jon Christopher on the 1st team and Quarterback Mike Norseth, Quarterback Robbie Rogers, and Place Kicker Mike Norseth on the 2nd team.

Holyfield Earns All-American Honors

Jeff Holyfield displays his many trophies which were earned through hard work and dedication.

Jeff Holyfield had a superb 1981 Cross-Country season. He was undefeated in League and CIF competition. He then proceeded to win Kinney's Western Regional Championship. At Kinney's National Finals Jeff's fatigue caught up with him. However, he ran with determination and placed thirteenth in the nation, earning himself All-American honors and experiencing a superb high school season.

"First of all, I would like to thank Coaches Gilman and Rubino for all of their training and help. I would also like to congratulate the greatest cross country team that CV has ever seen.

"CV cross-country runners deserve to be commended for their selfless contributions to the team throughout the season and especially for their preparation to become champions. Nearly 700 miles were covered

during the summer by the team.

"This year I have personally experienced the best season in my high school career. During my three years of participation in cross country, I have not only learned a lot about running but also quite a bit about life. The success that I have had can be attributed to the competitive pressure of the team. Once again, I'd like to thank everyone who helped me to become the person and runner that I am."

Varsity Cross Country . . . Awesome.

The 1981 Falcon Cross Country team was simply awesome. Jay Rubino and Keith Gilman coached the Falcons, who swept League for the second straight year with a League record of 5-0. After winning their qualifying race in the CIF preims, the Falcons went on to become the first Boys 4 A C F Championship team in twenty years. Varsity destroyed the second place team, Thousand Oaks, by approximately forty points. Jeff Holyfield took honors as CIF individual champ by beating the next runner by 22 seconds. Along with Jeff Holyfield there was Joe Jung, Kevin Floyd, Pete Herrold, Ken Tremayne, Doug Murdoch and Scott Yinger, who all put forth a great effort for the Falcons.

The Junior Varsity Cross Country team took third place in League this year, with a record of 3-2. The JV's were in contention for the Pacific League title until the final dual meet of the year, when they were defeated by Arcadia. The outstanding JV's included Mike Eneberg, Eric Wright, Mike Dorton, Scott Nance, and Chris Fleming.

A Rebuilding Year

For the first time in the history of CV, freshmen were allowed to participate in high school athletics. This proved to be advantageous for the Falcons, as Chris Tremayne, a freshman, was the team's number-one runner.

The top Sophomore was Vahe Der Gervorkian. The Falcons earned a third-place spot in the Pacific League and had a strong showing at League Finals, missing the title by six points. If the Falcons continue to work diligently throughout the summer and the following year, they may retain their Varsity League crown for the third consecutive year, according to Coach Keith Gilman. The quality and dedication of this young team will undoubtedly aid the Falcons in achieving this goal.

The 1981 Falcon Water Polo team had a challenging season. The poloists, with an overall record of 8-17, placed third in the Pacific League with a record of 2-3. The Falcons, however, were thin on varsity experience. Kirk Klotzhar was the only returning Varsity letterman. Fortunately, however, the polo team remained undaunted and worked diligently to gain a CIF playoff bid.

CV then lost to Claremont in the first round of this competition by a score of 3-7. This concluded the fine performance by the promising Falcon team. Jay Jones received the MVP award, Ken Eastland was awarded the Most Inspirational trophy, and Randolph Lautsch went home with the Most Improved Player trophy. Because of the large number of underclassmen on the Varsity squad this year who will be returning next year, CV Water Polo fans can look forward to an exciting and successful '82 season.

Frosh/Soph Waterpolo Comes Alive

The 1981 Falcon Frosh/Soph Waterpolo team, coached by Don Abshear, was made up of hard working, devoted young men. The Falcons took third place in the Pacific League with a 2-3 record. Erik Trogden was awarded the Most Valuable Player, with Glenn Ortiz earning Most Inspirational and Juan Russell taking home the award for Most Improved. The new freshman eligibility rule is expected to have a positive effect for the Falcons and will strengthen their program.

A Good Year for Varsity Volleyball

The Crescenta Valley Varsity Volleyball team, coached by Pat Weis, had a productive season. The Falcons worked hard and put in many long hours to prepare for competition, and the CV fans were not disappointed. The team acquired a 9-7 overall record and a record in the Pacific League of 6-4.

This put the Falcons in third place and earned them a CIF playoff bid.

Team honors went to Theresa McCauley for Most Valuable Player, Linda Pilarski was awarded the Most Improved Player, and the Most Inspirational Player went to Diane McCall. Leading the Falcons to victory was Beth Rieck, receiving All-League First Team honors.

Karen King and Theresa McCauley placed on the All-League Second team, with Judy Sturms receiving Honorable Mention. The great enthusiasm and hard work of all the team members resulted in a successful season and a promising outlook for next year, according to Coach Weis.

The Falcons had an overall record of 7-10. Team honors went to Stacy Kilgore, Carrie Ackerman and Caryl Jamniska for MVP, Most Improved Player and Most Inspirational Award, respectively. These CV volleyball players can be expected to bring excitement and success to future Falcon teams.

 advanced to CIF competition.
 Team Honors went to Stephe-

The Girls' Cross Country team had a productive season, finishing fourth in the Pacific League with a record of 2-3. Aileen Cormack led the girls to victory and earned a spot on All League First Team. Captain Leah Perry ran to an All League Second Team finish for the Falcons. The team was expected to finish higher in the League, but an injury to Lucinda Nickell and other key runners dashed their hopes. This year the girls' team consisted of twenty-eight members, most of whom were underclassmen. With hard work and dedication, the Falcons will be back in the hunt for the League crown next year.

The 1981 CV Falcon Varsity Basketball team had a super year. After a shaky pre league performance, the Falcons settled down and at time of publication had an excellent shot at the Pacific League title. CV beat Alhambra in a 51-50 heartstopper, that left the Falcons tied for first place in the League after the first round with a record of 4-1. This year's Falcon edition was paced by three outstanding players: point guard Cliff Miller, swing man Eric Lowe, and post Jay Ellis. Mike Norrath and Duane Myers rounded out the starting five. Wade Wirth saw plenty of action, along with sophomores Rick Wilson, Dave Asplund, Mike Anderson and Eric Rowsey gave the Falcons needed bench strength. This marked the tenth straight CIF playoff bid for the Falcons and their twentieth straight winning season.

The CV Junior Varsity Basketball team, coached by Neil Shirley, had a troubled year. Captains Brett Bowers and Raffi Nahabedian were involved in an automobile accident and this had a negative effect on the team's performance. Bowers, with a concussion, was unable to play in a few games while Nahabedian was out for the rest of the season. However near the season's conclusion the Falcons bounced back under the leadership of Mike Winkler, Jon Ellis and Brett Bowers. This year's JV's will be a fine nucleus for upcoming Falcon teams.

This year's edition of the Sophomore Basketball team was under the direction of Dick Weber who was in his third year as head coach of the Falcon sophomores. The young sophomore team was expected at time of publication to be in the running for the sophomore's third straight Pacific League championship. The Falcons were led by 6'2", 165-pound-center Jack Benson, hot-shooting, 6'1" guard Brian Costello, and by team captain Jerry Wacker.

Girls' Basketball Shoots for the Top

The Girls' Varsity Basketball team once again made a strong showing in Pacific League competition. Coached by Tam Bracknridge, a former Falcon basketball player, and assisted by her brother, Bob, the Falcons led in both League and CIF play.

Leading the team were high-scoring forwards Beth Rieck and Linda Pierski, who, along with center Theresa McCauley and guards Laurie Kuhn and Natsire Jover, produced a powerful offensive/defensive combination. A solid reserve corps, including Mary Anne Phillips, Traci Lane Weigman and Lisa Renn, provided necessary depth to the team.

Once again, Girls' Varsity Basketball has given an exciting season to the student body.

Girls' JV Basketball

This year's Junior Varsity Basketball team, coached by CV graduate Cheri Vanoa, has proved to be the best team to come along in six years, according to Coach Wells. At time of publication the team had a season record of 8-4. They also placed third in Pacific League with a record of 4-3. The Falcons were in the process of playing three more games to complete the season. Top scorers on the team included Chris Comings and Lisa Estelle, and top rebounder was Shawna Hubbard. With continued dedication and team work by the members of the team they should bring excitement to the future Varsity team.

School records were shattered by senior Julie Poole in the 100-yard breaststroke, freshman Cara Moore in the 50 and 100 yard freestyle and the Medley Relay team of Stephanie Kim, Julie Poole, Cara Moore and Alex Middaugh. Badminton Nets Winning Season

The Falcon Badminton team, coached by Pat Wells, had another fine season this year. Nine out of fourteen starting Varsity players returned from last year's team, which finished third in CIF competition. At the time of publication, the Falcons were expected to give another strong showing in CIF. The nucleus of the squad included Don Oxley, last year's Pacific League boys' singles champion, Jeff Iverson, one of last year's Pacific League boys' doubles champions and returning Varsity girls' doubles team Judy Sturms and Therese McCauley.

This year's Varsity Tennis team was looking forward to a very successful season. The team, led by third-year Varsity player Don Martinez, anticipated making a strong showing in singles. Paul Thompson and Dan Waite, were also expected to excel in doubles competition. Although the other Varsity members had limited competitive background, Coach Mike Johnson was optimistic that his players would improve as they played more matches.

The JV Tennis team has the potential to be an excellent squad. Standouts such as Bruce Fox and Mark Jorgensen greatly aided the team toward its winning season. Johnson feels that Robert Vafae and Jesse Kamekone are the major hopes for the future.

Jeff Renville strikes out another one

The 1982 Varsity Baseball team was coached by Mr. Tony Zarillo. This was his first year as head baseball coach at CV, filling the vacancy created by Randy Siebert's resignation. At the time of publication, Coach Zarillo was looking forward to a fine season, and the Falcons were expected to advance to the CIF play-offs and be in the running for the Pacific League crown. The Falcons were led by co-Captains Jeff Saltman and Jeff Woo, both returning Varsity lettermen. Other leading team players included Robbie Rogers, outfielders Kevin Finigan and Tim Kennedy and catchers Don Hart and Scott Vander Zyl. Mike Norseth was the Falcon's returning Varsity pitcher, while Jeff Renville and Scott Nance shared the other pitching duties. Through a great deal of teamwork and dedication, the CV Baseball team enjoyed a successful and rewarding season.

CV Gymnasts Tumble

With nine League championships behind them, CV's gymnastic team, coached by Laree Martin and Day Martin, started the season with hopes of another successful year. At the time of publication, the season was just beginning. The nucleus of the team was returning seniors Beth Estes, Deidra Jones, Dawn Martin and Judy Mihalik. In all-around competition this year were Dawn Martin, Durette Martin, Judy Mihalik, Sherri Jensen and Erin De Witt. For the last three years the team has been free lance and has scheduled all of its meets with various schools in order to compete prior to CIF playoffs.

Golfers Go from Tee to Green

The CV Golf team, coached by John Smalenburg, had a successful season on the greens. The team, which is quite young by most standards, consisted of two juniors, three sophomores and one freshman. Through hard work and dedication the team members were able to dramatically increase their golfing skills.

John Wright, the team's strongest golfer, has participated for the past two years in summer competition. At time of publication, Wright was expected to compete for CIF individual honors. Because of the players striking improvement, CV golf enthusiasts can anticipate a stronger and more intense team next season.

From Dreams

We Carve

Our Destiny

Brian -
I'm really glad
you got to know
me this year

To laugh
is to risk appearing the fool
To weep
is to risk appearing sentimental
To reach out for another
is to risk involvement
To expose feelings
is to risk exposing our true self
To place your ideas, your dreams, before a crowd
is to risk loss
To love
is to risk not being loved in return
To live is to risk dying
To hope is to risk despair
To try at all is to risk failure
But to risk we must,
Because the greatest hazard in life
is to risk nothing

Brian,

I can't wait until the last day of school. (I think you know why) I am really glad that everything is working out so good. I really love you. We finally made it so so!! I passed you know who I want you to know that I really had fun this weekend. I think that we can work everything out now. I really need you and I always will. I love you so much. And I always will. I missed not I love Ralph to! (So does Kitty) I missed not being with you, but this weekend made up for it. I am so glad that we got together this year, and I hope everything works out so we can be together (all the way) again. I want to thank you for being so sweet. You have treated me so good lately, and we are getting along so much better. Remember that letter that I read to you? Well I still mean ~~the~~ every word of it. I will always love you Brian, and I need you too. If our plans for the last day of school work out I will be the happiest person in the world. You treat me so good now, and it makes me feel alot better. I love you, and need you, and want you forever and ever. I'm not sure what else to say, 'cause I've already said that I love you and all that. I really hope everything works out for us. With the way we have both been acting toward each other lately I'm sure it will.

P.S.

I love you, + Ralph
